Skills

React.JS
Java
Javascript
MERN Stack
HTML
CSS
Tailwind CSS
Figma
Flutter
.NET
MongoDB
MySQL / PostgreSQL

Language

Sinhala
English
Tamil

Education

Bachelor of Information Technology (BIT)

February 2024 - Present

G.C.E Advanced Level

2022 - 2023

ICT (S), Engineering Technology (S), Science for Technology (S) |
Index number - 4014294

G.C.E Ordinary Level

2018

Mathematics (B), English (S), Science (C), Tamil (C) |
Index number - 83654283

Projects

E-Passport System (MERN Stack)

Developed a secure passport application system with OTP verification, appointment booking, and status tracking using the MERN stack.(2nd Year Project)

POS & Inventory Management System (MERN Stack)

Built a full-stack retail system for billing, product management, and real-time inventory tracking with secure authentication.

Employee Management System (C#, SQL Server)

Created a desktop application to manage employee records, track status, and display key statistics using C# and SQL Server.
(1st Year Project)

Wallpaper Gallery Website (HTML, CSS, JavaScript)

Built a responsive website to browse and download wallpapers with interactive UI features.
